Ethiopia is an ancient land and her civilization is the result of the harmonious alchemy of the past and the present, upon which we confidently build for the future. This heritage is the bedrock of modern Ethiopia. In it the people have chosen to distil from the past that which is useful and enduring, to adapt those worthwhile attributes of our present-day world, and to fashion this modern Ethiopianism – the foundation of our social order that has served so admirably the purpose of the nation’s steady advance.

¹ H.I.M. says "But now it was determined after consultation, and was accordingly carried out, that, except for the regal anointing, the Archbishop should place the crown on her and put the diamond ring on her finger and that this should be on the same day jointly with the coronation of the Emperor." Thus, Empress Menen, though not worshipped directly (she did not receive the regal anointing-symbolic of the rulership and Christ state) she certainly shares in H.I.M. Emperor Haile Selassie I's divinity being of one flesh with the Emperor as his lawful wife and chosen Queen.
